Dear Parent/Carer

We are pleased to inform you that we will be producing a new eNewsletter format with Schoolzine in Term 2. The newsletter will be produced fortnightly, however other messages and reminders will be sent out more frequently if required.

The purpose of moving to this new format is to engage the school community more effectively and provide parents, students and the community with a more substantial and richer newsletter format.

This new format will include videos, image galleries, online bookings and feedback forms, calendars and much more. It will be accessible on both Apple and android devices, mobiles, tablets, laptops and desktops.

We would strongly encourage you to subscribe now, so you are ready for term 2. Our first eNewsletter will be published on Wednesday 10th May. Just follow the link below and register your email address.

You can subscribe to receive the eNewsletter here: [Glen Dhu Primary School newsletter subscribe link](#)

If you would still like to receive a paper copy of the fortnightly newsletter that is possible, however you will not see the entire photo gallery or videos. Please contact the school office if this is your preference.

We would like to thank our School Association for funding this initiative in our school.

Yours sincerely
